QUILT ENTRY RULES AND INSTRUCTIONS

Complete an Entry Form for each item to be entered to the Show.

Entries may not have been shown in a previous Pioneer Guild Show.

Attach a color photograph or photocopy of item and write on the back of photo your name and the title of the quilt/item. The photograph or photocopy will not be returned.

Please indicate your choice of the order in which the quilts and other items may be accepted if you are entering multiple entries. Identify each Entry Form with a choice of: 1st Choice, 2nd Choice or 3rd Choice. Final acceptance will be determined based on space availability when all quilts and other items have been registered.

The following guidelines are provided and should be considered by members interested in submitting a quilt with any amount of appliqué attached to the quilt top. In general, a quilt that is made predominantly with appliquéd motifs and/or theme should be placed in the Applied Quilt Category. The motifs may be applied to the quilt top with one or a combination of the following techniques: Hand Applique, Machine Applique, Fused Applique.

However, if the quilt is evenly made with pieced blocks and appliquéd motifs, the member may choose to enter the quilt in either the "Pieced Quilts" **or** "Applied Quilt" category. The member is required to make the choice of placing the quilt in **only one** category. Entry forms with no choice or multiple choices will be considered incomplete and will be returned for correction.

Please indicate on Entry Form one of the Categories listed below. **(The Perimeter is the total inches of all 4 sides of quilt.)**
